Easter Sunday

March 27, 2016

Dear parishioners,

Happy Easter! What a great day to celebrate! This is the day of victory for our king! It is, therefore, also a day of victory for all of us who believe in Jesus.

Sometimes we wish we could have known him in person and been there at the tomb at the resurrection. I am glad that I am at this point in history. I have the benefit of seeing the whole picture.

I can only imagine the huge mix of feelings that the apostles and other followers felt on Easter Sunday. Who is this man who can be killed and live again? Who rolled back the stone? Are we safe? How amazing is this?! Some believed. Some found it too much for them.

We now know that Jesus was truly human and truly God. He had accepted all his human limitation so that he might reveal to us who God is. He accepted death on a cross to show us the extent of his integrity and obedience. He rose from the dead to show us that he is God, that he is no longer bound by limitation, that he does indeed have power over death and evil.

I hope that each of us in our eagerness to spend time with family also take time to spend with Jesus to reflect on the significance of this truly amazing day.

Sister Carol

## The president of the U.S. Conference of Catholic Bishops (USCCB) Archbishop Joseph E. Kurtz of Louisville is asking for your support of a petition to stop genocide in the Middle East and convince the U.S. Department of State to include Christians in any formal declaration of genocide.

"For months, the Catholic Church has been a voice for Christians and other religious minorities facing the evil of deadly persecution." Archbishop Kurtz said. "Please, make sure your name is added to the witness. The very future of the ancient Christian presence in the Middle East is at stake." The petition is available at: [www.stopthechristiangenocide.org](http://www.stopthechristiangenocide.org).
